TO ALL MEMBERS OF THE ORDER IN MANITOBA

Dear Sisters and Brothers

Our “**Rainbow Dreams and Dragonfly Wishes**” Grand Session will be here soon. The Drill Team is always an enjoyable group of Brothers and Sisters who put on a great show for the Officers and Members of our great Order and we hope you will join us. We are excited to be your Drill Team Instructors and look forward to having a great team. Through our Drills we will pay tribute to Sister Carol Hadley WGM and Brother Allan Hadley WGP and their Grand Officers.

Sister Carol WGM has graciously approved the participation of the Grand Officers and Grand Pages in the Drill Team. All drills will be done when the Bible is closed; therefore, no one is needed to fill the Grand Officer/Page stations.

Please contact us with your name and email address prior to March 15th, 2024 if you wish to join our merry group.

Fraternally,
