TO ALL MEMBERS OF THE ORDER IN MANITOBA

Dear Sisters and Brothers

Time will quickly be approaching for our **"Echoes of Nature"** 102nd Grand Session. The Drill Team is always an enjoyable group of Brothers and Sisters that put on a great show for the officers and members of our great order.

Brother Bruce and I are excited to be your Drill Team instructors this year and look forward to you joining us to pay tribute to Sister Joyce McTaggart WGM and Brother Ernie Cameron WGP and their Grand Officers.

Sister Joyce McTaggart WGM is graciously permitting the Grand Officers and Pages to participate in the Drill Team, if they wish. All Drills will be done when the session is closed therefore no one is needed to sit in their stations.

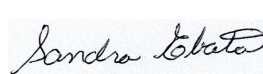

Please contact Brother Bruce with your name and email address prior to March 15th, 2025 if you wish to join our merry group.

Fraternally,
